Relief for the Victims of Cloudburst in Dharali & Bhatwadi

Ras Bihari Bose Subharti University is committed for the welfare and wellbeing of the inhabitants of Uttarakhand. The damage which has been caused due to the natural calamity in Dhralai and Bhatwadi is very unfortunate. At this moment Ras Bihari Bose Subharti University stands with the affected people of Dhralai and Bhatwadi.

Hon'ble Vice Chancellor, Ras Bihari Bose Subharti University announces the following Educational and Medical relief to the students and families suffered from recent cloudburst disaster that severely impacted the Dhralai and Bhatwadi areas of district Uttarkashi, Uttarakhand:

- In case any student resident of Dhralai and Bhatwadi already studying in the University or interested to take admission in the University in the academic session 2025-26, and has unfortunately lost both of his/her parents, **100 % waiver will be given to such students in the all kind of University fee and also the hostel fee.**
- University already gives 25% concession in tuition fee to the residents of Uttarakhand. In case any student resident of Dhralai and Bhatwadi already studying in the University or is interested to take admission in the University in the academic session 2025-26, an additional 25% relaxation in tuition fee (total relaxation of 50%) will be given to the student (subject to production of residential proof).
- Preference will be given to the residents of Dhralai and Bhatwadi in admissions in those courses which are governed by the University.
- All the routine treatment will be given without charge on admission, to the patients of Dhralai and Bhatwadi. However the cost of medicines would be borne by the patients.

The above facilities are available for one year with the date of announcement.
