EDITORIAL

It is indeed an honour & privilege to be writing the Editorial for the maiden issue of the quarterly e News Letter of Ras Bihari Bose Subharti University. In a rapidly evolving academic & research ecosystem,

mandate of the academia must no longer limit itself to merely create & disseminate knowledge rather be change agents for holistic growth & development of an individual engendering in the process a conducive & enabling environment for all inherent potential of the learner to be realized; also, inculcating a sense of deep reverence for 'Sanatan' heritage & legacy, nation's ideologues, martyrs & great souls of courage, their righteous strength, wisdom, resolve, sacrifice & spirit of nationalism. Subharti group of Institutions proudly bear this mantle with missionary zeal and stand distinctly different & distinguished shining ever brighter.

Ras Bihari Bose Subharti University, Dehradun has already set exemplary precedent as a hallowed place of learning, moulding burgeoning lives & shaping careers, imparting need & value-based, quality education including industry driven skillset.

We take great pleasure in chronicling & disseminating various activities done across constituent faculties & colleges of the university highlighting innovations & ingenuity albeit through an electronic mode. Besides the joyful intent of sharing experiences, we also humbly envisage making the university & its plight i.e. our commitment & obligation to serve, meaningfully visible to one & all.
